### Notes

---

#### John Mewes (Muse)

Person Notes: Information about the Muse family (named spelled Mewes In Engalnd) was taken primarily from the work of Mary Hope West and Juliet Fauntleroy "The Muse (Mewes) Family of the Northern Neck of Virginia". Additional information is taken from public records and LDS records.

John Muse was married to Catherine Talbott, widow of William Talbott, after 16 November 1698. She is not a lineal ancestor and apparently she and John had no children together.

---

#### Thomas Muse

Person Notes: According to research of West and Fauntleroy, Thomas may have been married at least three times. Nothing is known about his first two wives, obviously including which (if there were two) is the mother of which children.
